FOREIGN ORDERS AND MEDALS

FOREIGN OFFICE,
May 20, 1914.

The King has commanded that the following Regulations relating to the wearing of Foreign Orders and Medals by British subjects shall be substituted for those previously in force, the text of which was published in the *London Gazette* of May 12, 1911 :—

REGULATIONS RESTRICTING FOREIGN ORDERS AND MEDALS APPLICABLE TO PERSONS IN THE SERVICE OF THE CROWN.

Orders.

1. It is the King's wish that no subject of His Majesty in the service of the Crown shall accept and wear the Insignia of any Foreign Order without having previously obtained His Majesty's permission to do so, signified either

(a) By Warrant under the Royal Sign-Manual, or

(b) By private permission conveyed through His Majesty's Private Secretary.

2. Permission given by Warrant under the Royal Sign-Manual will enable the Insignia of the Foreign Order to be worn at all times and without any restriction.

Private permission will only enable the Insignia to be worn on the occasions specified in the terms of the letter from the King's Private Secretary conveying the Royal sanction.

3. Full and unrestricted permission by Warrant under the Royal Sign-Manual is contemplated in the following cases :—

For a Decoration conferred—

On an Officer in His Majesty's Naval or Military Forces lent to a Foreign Government; on an Officer in His Majesty's Naval or Military Forces attached by his Government to a Foreign Navy or Army during hostilities; or on any British Official lent to a Foreign Government and not in receipt of any emoluments from British public funds during the period of such loan.

4. Private or restricted permission is contemplated for Decorations which have been conferred in recognition of personal attention to the Head of a Foreign State, and which are therefore of a more or less complimentary character, and will, as a rule, only be given on exceptional occasions when in the public interest and for political reasons it is deemed expedient that the acceptance of a Foreign Decoration should not be declined. Private permission will generally be given in the following cases :—

For a Decoration conferred—

(1) On British Ambassadors or Ministers abroad when the King pays a State visit to the country to which they are accredited ;

(NOTE.—A State visit is defined as one on which the King is accompanied by a Minister or High Official in attendance.)

(2) On Members of Deputations of British Regiments to Foreign Heads of States ;

(3) On Members of Special Missions when the King is represented at a Foreign Coronation, Wedding, or Funeral ; or on any Diplomatic Representative when specially accredited to represent His Majesty on such occasions; and such Members of His Staff who actually attend the ceremonies in their official capacity ;

(4) On Naval and Military Attachés only after completion of five years' service at the post to which they are appointed in that capacity ;

5. Private or restricted permission will not be given to—

(1) British Ambassadors or Ministers abroad when leaving ;

(2) Members of British Missions announcing the Accession of a Sovereign ;

(3) British Officers attending Foreign Manœuvres ;

(4) Naval Officers of British Squadrons visiting Foreign Waters.

6. The desire of the Head of a Foreign State to confer upon a British subject in the Service of the Crown the Insignia of an Order must be notified to His Majesty's Principal Secretary of State for Foreign Affairs either through the British Diplomatic Representative accredited to the Head of the Foreign State, or through his Diplomatic Representative at the Court of St. James.

7. When His Majesty's Principal Secretary of State for Foreign Affairs shall have taken the King's pleasure on any such application, and shall have obtained His Majesty's permission for the person in whose favour it has been made to wear the Insignia of a Foreign Order, he shall signify the same to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause a Warrant, if it be a case for the issue of a Warrant as defined in Rule 2, to be prepared for the Royal Sign-Manual.

When such Warrant shall have been signed by the King, a notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

Persons in whose favour such Warrants are issued will be required to pay to His Majesty's Principal Secretary of State for the Home Department a stamp duty of 10*s.*

8. The Warrant signifying His Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms. Every such Warrant as aforesaid shall contain a clause providing that His Majesty's licence and permission does not authorise the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of His Majesty's Realms.

9. When a British subject in the Service of the Crown has received the Royal permission, full or private, to accept and wear the Decoration of a Foreign Order, he will not be allowed to accept and wear the Decoration of a higher class of the same Order without His Majesty's approval, which will only be given if the higher honour is being conferred in circumstances contemplated by these Regulations.

Medals.

10. Medals which constitute a particular class of a Foreign Order are subject in all respects to the Regulations in the same manner as higher grades of the Order, except that permission to wear will be given by Letter and not by Royal Warrant.

11. The King's unrestricted permission to accept and wear a Foreign Medal will only be given in the case of a Foreign Medal conferred by the Head or Government of a Foreign State for saving or attempting to save life at sea or on land.

12. The King's unrestricted permission to accept and wear a Foreign War Medal will only be given to (1) Officers of His Majesty's Military or Naval Forces if serving with a Foreign Army or Navy with His Majesty's license, and (2) Military or Naval Attachés or other Officers officially attached to Foreign Armies or Navies during hostilities.

13. In exceptional cases, when for special reasons it is deemed expedient that the acceptance of the Medal should not be declined, His Majesty will grant restricted permission. Such cases will be judged on their merits, and the circumstances in which the Medal may be worn will be specified in the Letter conveying His Majesty's permission.

14. The term "person in the Service of the Crown" includes persons in receipt of a salary or pension from Public Funds, or holding a Royal Commission in any part of His Majesty's Dominions, Protectorates, or Possessions.

15. Ladies are subject to the Regulations in all respects in the same manner as men.

Foreign Office, March 10, 1914.

REGULATIONS RESPECTING FOREIGN ORDERS AND MEDALS APPLICABLE TO PERSONS NOT IN THE SERVICE OF THE CROWN.

Orders.

1. It is the King's wish that no subject of His Majesty shall wear the Insignia of any Foreign Order without having previously obtained His Majesty's permission to do so, signified either—

(a) By Warrant under the Royal Sign Manual; or

(b) By private permission conveyed through His Majesty's Private Secretary.

2. Permission given by Warrant under the Royal Sign-Manual will enable the Insignia of the Foreign Order to be worn at all times and without any restriction.

Private permission will only enable the Insignia to be worn on the occasions specified in the terms of the letter from the King's Private Secretary conveying the Royal sanction.

3. The full and unrestricted permission by Warrant under the Royal Sign-Manual is designed to meet cases where the Decoration may be said to have been earned by some valuable service rendered to the Head of the State conferring it, or to the State itself. Application will be made to His Majesty for full permission by His Majesty's Principal Secretary of State for Foreign Affairs on behalf of any person who, not being at the time in the Service of the Crown, is either in the salaried employment of a Foreign State or has rendered valuable services within the period of two years immediately preceding the notification of the Decoration to His Majesty's Government as prescribed under Rule 5.

The expression "valuable services" must be construed as meaning some service rendered to a Foreign Head of State or Government specifically, and must be indisputably valuable in the strict sense of the word. Though such services need not necessarily be gratuitous, as in the case of a person actually in the employ of a Foreign Government, they must be unconnected with any transaction of a commercial or financial character brought about in the ordinary course of business. The term "valuable services" does not therefore, as a general rule, apply to services connected with the fulfilment of Government or Municipal contracts, the financing of Government or Municipal loans. It also does not include Red Cross Services, presentation of objects of value to Public Museums and Institutions, pecuniary donations or endowments, personal performances, services in connection with Exhibitions and Industrial Congresses, services in the domain of art, literature, science, education, and agriculture, services rendered by British subjects in the capacity of honorary foreign Consular Officers.

4. Private or restricted permission is contemplated for Decorations which have been conferred in recognition of personal attention to the Head of a Foreign State or Member of a Reigning House, and which are therefore of a more or less complimentary character. Private permission is as a rule only given on exceptional occasions, when in the public interest and for political reasons it is deemed expedient that the acceptance of a Foreign Decoration should not be declined.

5. Both in the case of full and in that of private permission the matter will be submitted to the King by His Majesty's Principal Secretary of State for Foreign Affairs.

The desire of the Head of a Foreign State to confer upon a British subject the Insignia of an Order, or the fact that he has done so, must be notified to His Majesty's Principal Secretary of State for Foreign Affairs either through the British Diplomatic Representative accredited to the Head of the Foreign State, or through the Diplomatic Representative of the latter at the Court of St. James. His Majesty's Principal Secretary of State for Foreign Affairs shall be under no obligation to consider claims that are not brought to his notice through one of these channels.

6. When His Majesty's Principal Secretary of State for Foreign Affairs shall have taken the King's pleasure on any such application, and shall have obtained His Majesty's permission for the person in whose favour it has been made to wear the Insignia of the Foreign Order, he shall signify the same of His Majesty's Principal Secretary of State for the Home Department, in order that he may cause a Warrant, if it be a case for the issue of a Warrant as defined in Rule 2, to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the King, a notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

Persons in whose favour such Warrants are issued will be required to pay to His Majesty's Principal Secretary of State for the Home Department a stamp duty of 10*s*.

7. The Warrant signifying His Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms. Every such Warrant as aforesaid shall contain a clause providing that His Majesty's license and permission does not authorise the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of His Majesty's Realms.

8. When a British subject has received the Royal permission, full or private, to accept and wear the Decoration of a Foreign Order, he will not be allowed to accept the Decoration of a higher class of the same Order without His Majesty's approval. His Majesty will in such cases grant permission only if the promotion in the Order is conferred for fresh services which come within these Regulations.

9. These Regulations apply only to Orders of Chivalry. Decorations conferred by Private Societies and Decorations of a purely academic nature, and all Decorations not being orders of Chivalry, may be accepted without His Majesty's permission, but must not be worn.

Exception is made in the case of a few Foreign Orders, which, though not in strictness Orders of Chivalry, yet are of such a high distinction that, for the purpose of these Regulations, they are to be considered and treated as Orders of Chivalry.

10. Ladies are subject to the Regulations in all respects in the same manner as men.

Medals.

11. Medals which constitute a particular class of a Foreign Order are subject in all respects to the Regulations in the same manner as higher grades of the Order, except that permission to wear will be given by Letter and not by Royal Warrant.

12. Medals for saving or attempting to save life at sea or on land conferred on behalf of the Head or Government of a Foreign State may be accepted without His Majesty's special permission, and may be worn at Court.

13. Medals conferred by Private Societies or Institutions and Commemorative Medals may be accepted without permission, but none of these Medals can be worn.

14. The King's permission must be obtained for any other Medal to be worn. No permission is needed to accept a Foreign Medal if it is not intended to be worn.

15. His Majesty will not grant permission to wear any Foreign War Medal if the person on whom it is to be or has been conferred was during the war acting in contravention of the Foreign Enlistment Act.

(2) The rest of the Presidency with the exception of the Nilgiri district and the Wynaad taluk, Anjengo, Tangasseri and the Attapadi valley of the Malabar district.

(3) The Banganapalle State.

2. Tree-tapping licences shall be issued on the application—

(a) of licensed toddy shopkeepers in areas in which the toddy shops are sold by auction or licensed separately;

(b) of persons having the exclusive privilege of manufacture and supply of cocoanut toddy arrack as foreign liquor;

(c) of tappers on their own application in the South Canara district provided that the application for licence is accompanied by an application for a permit for the transport of the toddy drawn to some particular shop and that the latter application is countersigned or acknowledged to be correct by the shopkeeper to whose shop the toddy is to be taken;

(d) of tree owners generally, and of sweet-toddy tappers in the Godavari district, and in the Narasapur, Bhimavaram, Tanuku, Ellore and Yernagudem taluks of the Kistna district, for not more than five trees in the case of tree owners and three trees in the case of sweet-toddy tappers, for the drawing of toddy required for domestic consumption, but not for sale;

(e) of toddy shopkeepers or renters in the Mysore territory and in the Banganapalle State desiring to obtain toddy from trees growing in British territory; and

(f) of toddy shopkeepers in the Pudukkottai State desiring to obtain toddy from trees in British Territory provided that the application is certified or countersigned by the Salt and Abkāri Inspector of the State.

In cases (a), (b), (d), and (e) the licenses may be issued in the name of the applicant himself or of his nominee, and in cases (c) and (f) in the name of the applicant only.

3. Persons wishing to apply for the grant of tree-tapping licenses must first pay the fees (or the first instalment thereof, as the case may be) due on account of the trees which they desire to tap, into a Government treasury, which may be either the District treasury, a Taluk treasury or a Salt treasury. Divisional officers may also empower heads of villages to receive payments on account of tree-tax and to grant receipts therefor.

4. (1) Applications for the grant of tree-tapping licences must be made in the prescribed form to the Inspector, Salt, Abkari and Customs Department, in charge of the circle in which the trees are situated. Forms may be obtained from the Inspectors of Salt, Abkāri and Customs Department, and from all Tahsildars and Deputy Tahsildars and will be supplied free of charge. Applications put in by shopkeepers and tappers need not be stamped; those put in by other persons must bear a court-fee stamp of one anna. In any case, if the fees have been paid into treasury, the application must contain a certificate of payment from the treasury officer; if payment has been made to a village head the receipt must accompany the application. Mysore renters and shopkeepers applying for trees in British territory should pay the tree-tax into the Mysore Amildar's treasury and should present before the British Tahsildar or Deputy Tahsildar concerned along with the application in form T. T 6, the receipt with the Amildar's certificate at the foot to the effect that the applicant is a person entitled to take out a tree-tapping license in Mysore. The tree-tax should be calculated at the higher rate if the rates are not the same on the two sides of the frontier.

(2) Applications for tree-tapping licences in the South Canara district should be countersigned by the owner of the trees intended to be marked in token of his consent.

5. Toddy shopkeepers in tracts adjoining the Mysore territory will also be allowed to tap trees in Mysore for the supply of toddy to their shops on payment of the whole of the tree-tax in one instalment into the British treasuries and subject to such restrictions regarding permits, etc., as may be prescribed in this behalf. The rate of tree-tax to be paid in such cases will invariably be the higher rate in force if the rate is not the same on the two sides of the frontier.

The British and Mysore Governments reserve to themselves the right to impose, in addition to the tree-tax, a rent for the use of trees belonging to them, the same when imposed being payable by British and Mysore licensees alike. The arrangements agreed to by the Madras and the Mysore Governments with regard to the issue of licenses for tapping trees in either territory on the application of farmers or shopkeepers in the other do not prevent the reservation of trees in any specified area in the Madras Presidency or in Mysore with a view to afford rest thereto or for other sufficient reason and the mere payment of tree tax into a British or Mysore treasury does not entitle an applicant to tapping licenses for trees so reserved.

6. Toddy shopkeepers in British territory adjoining the Banganapalle State will be allowed to tap trees in the State on payment of tree-tax, the rate being the same as in the Kurnool district. Similarly those in the Banganapalle State will be allowed to tap trees in the adjoining British territory.

7. Persons applying for the issue of licences will be responsible to Government for all sums payable as tree-tax on account of the trees licensed to be tapped.

8. (1) On receipt of an application, the Inspector, unless he sees special cause to the contrary, will at once take steps for the marking of the trees by an officer superior in rank to a petty officer and for the issue of the licenses. Applicants for trees shall point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so after reasonable notice, the fees paid by them shall be liable to be forfeited at the Collector's discretion.

(2) In the Godavari district and in the Narasapur, Bhimavaram, Tanuku, Ellore and Yernagudem taluks of the Kistna district, trees intended for the drawing of fermented toddy and those for the drawing of sweet toddy shall, as far as possible, be in separate topes or blocks.

9. Collectors may, from time to time, prescribe the minimum number of trees to be entered in an original application. They may also direct that the trees situated in one village only shall be included in an application.

10. No trees shall be tapped, nor shall toddy be drawn from any toddy tree, nor shall any pot be attached to any toddy tree, until the tree has been marked by the proper officer.

11. For palmyra and date trees in the Presidency and for Dadasal (*Acrocarpus Wightii*) trees in South Canara, tree-tapping licenses shall be annual, that is, in force from 1st October or any subsequent date to the 30th September immediately following, and for cocoanut and sago trees they shall be

half yearly, that is, in force from 1st October or any subsequent date to the 31st March immediately following, and from 1st April or any subsequent date to the 30th September immediately following except in the case of the trees having been illicitly tapped, when the full tree tax may be levied.

12. The following shall be the fees payable on account of each tree for the tapping of which license is applied for :—

Districts.	Cocoanut palms (for each half-year as defined in rule 11 above)	Sago palms (for each half-year as defined in rule 11 above)	Palmyra or date palms (for the whole year as defined in rule 11 above)	Intsul (*Strega Wightii*) palms (for the whole year as defined in rule 11 above).

SUPPLEMENT TO PART II

OF

THE FORT ST. GEORGE GAZETTE.

No. 28.] MADRAS, TUESDAY EVENING, JULY 14, 1914. [PRICE, 1 anna.

SALT, ABKARI AND CUSTOMS DEPARTMENT

NOTIFICATION.

No. 5, dated 9th July 1914.

NOTICE OF SALE OF ABKARI PRIVILEGES.

Notice is hereby given that the number of farms and independent shops appointed for the sale of liquor, during the twelve months beginning 1st October 1914 and ending 30th September 1915 and the local limits appointed for them will be notified by Collectors in their District Gazettes, and that the privilege of sale therein will be put up to public auction on the dates, at the places and by the officers to be notified by Collectors subject to the conditions hereinafter set forth.

Conditions of Auction Sale.

II. The districts in which independent toddy shops and arrack farms, respectively, will be sold are specified below :—

Independent toddy shops*.	Arrack farms.
Throughout the Presidency including the Bangalapalle State and excluding the Nilgiri district and the Wynaad taluk and the Attapadi valley in the Malabar district and the Agency tracts.	The Attapadi valley.

A separate notification will be issued regarding operations under the tree-tax system. Collectors will issue others regarding the tracts where special systems are in force.

III. A deposit must be made by each bidder previous to bidding and will be received by the selling officer on the day of sale. A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the case of farms Rs. 100 will be the ordinary deposit. This will be reduced to Rs. 50 in the case of bidders for single small farms, monthly rental of not more than Rs. 100 and to Rs. 10 in the case of bidders for single small farms. In the Kurnool district, the selling officer may, where he finds it necessary, require a deposit of Rs. 10 only from bidders for toddy shops. In the South Canara district, the selling officers may at their discretion reduce the deposit to Rs. 2 for shops whose average monthly rental does not exceed Rs. 2.

IV. The shops or farms will be put up to auction in the order in which they are notified, unless the selling officer sees reason to change that order. Upset prices will be fixed at the discretion of the Collectors. The reserve price placed by Government on the shops or farms will not be published, but the average of the previous five years' rentals will be notified by the Collectors wherever possible, for the information of bidders.

V. No person will be allowed to bid for another unless he holds a power-of-attorney from him.

VI. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Abkari (Opium) Act as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid which

* Certain toddy shops in the Taluqs in Circle will be leased out for 9 months only from 1st January 1915. Tree-tapping licenses for these shops will be issued for 9 months only from 1st January 1915. Rentals will be collected every month, the shops being sold for monthly rentals. The full rate of tree-tax sanctioned for the year will be levied on trees applied for, for the half-yearly shops.

he may consider to be purely speculative, after recording his reasons for doing so. Village officers * will not be allowed to bid for, or to have any direct interest in, shops for the sale of intoxicants.

VII. The shops and farms will be knocked down to the highest bidder, but the sale will be subject to formal confirmation of the Collector, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid, unless reversed by the Board of Revenue for special reasons, and will be necessary whether the sale be held by the Collector himself or by any other officer appointed by him.

VIII. In case of dispute the selling officer's decision shall be final. If for any reason the highest bid is rejected, the next highest shall be taken, or the shop or farm re-sold at his discretion.

IX. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. At the auction proceeds, each person whose bid is accepted, shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit † of half a month's rent (in addition to the deposit made under clause III) for each shop or farm unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under clause III will be forfeited and the farm or shop will be put up again immediately by the selling officer on the above conditions or otherwise disposed of by the Collector and the defaulter will be debarred from bidding again for the same or for any other farm or shop.

X. Persons to whom farms and shops have been knocked down and who have made deposits as provided in clauses III and IX shall also deposit † such further sum as with the former deposits will make up two months' rent (to be paid within ten days from the date of communication of the Collector's acceptance of the bid) and shall without unnecessary delay execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed two months' rental the excess will be refunded unless the purchaser is required to deposit twice that sum under clause XI *infra*.

XI. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency, he may be required either to deposit two months' rental in addition to the sum prescribed in clause X *supra*, or to get a surety or sureties to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (article 34, schedule I, Act II of 1899) and registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

XII. On the failure of any person to make deposit under clause X or to comply with the requisition under clause XI *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made may be forfeited and the shop or farm re-sold under the orders of the Divisional Officer on the dates notified by the Collector or otherwise disposed of by the latter officer.

XIII. Re-sales effected under clause XII will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of a loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case the forfeited deposits will be deducted from the loss arising from the re-sale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by re-sale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by re-sale and such disposal results in loss to Government as compared with original sale.

XIV. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below, though a formal license may not have been issued to him.

XV. The deposit referred to in clause X or clause XI, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Tahsildar ‡ and the licensee so agree, it may be credited towards the last instalments of the kists payable by the latter.

The licenses issued under the above clauses will contain the following general conditions common to all abkári and opium licenses and the special conditions prescribed below :—

General Conditions applicable to all Abkari and Opium Licenses.

1. Contract suppliers of country spirits are prohibited from holding within their contract areas any interest in the retail vend of arrack or in the vend of other intoxicating liquors such as toddy, faraige liquor and beer, and from employing any person who has such interest. This prohibition does not extend to the wholesale supply of foreign liquor or of rectified spirit to licensed vendors; nor does it prevent them from holding an interest in the retail sale of country spirits in areas other than those for which they have been granted the supply contract, or from holding ganja and opium shops either within or without their contract areas. Brewers are prohibited from having any interest either direct or indirect in the retail vend of beer throughout the Presidency.

2. The limits within which sales under any abkari or opium license may be carried on will be specified by the Collector at the time of the grant of the license. The sale or possession (except subject to the rules applicable to unlicensed persons) of liquor, opium or intoxicating drugs outside those limits is prohibited.

3. Sales must be conducted in a suitable building of which the whole or part must be entirely set aside for use as a depot or shop. If there are means of communication between the depot or shop and an adjoining dwelling-house, they must be kept locked at night. In the case of arrack shops and taverns in municipalities, or towns having a population of 20,000 and over, the shop premises shall have no doors except into the main street; there shall be no possible means of ingress or egress in any other direction: the interior of the shop shall be sufficiently lighted by day and the shop shall not be used as a place of residence save by the vendor and his family or caretakers.

4. Except in the case when two or more foreign liquor licenses are held by one person, sales under each license issued must be in different premises (chemists and druggists and medical practitioners excepted). The possession upon any licensed premises of any liquor, opium or intoxicating

* This order is not intended to debar relatives of village officers from holding abkari and opium shops which are not situated in or near or which do not supply villages in which the village officers themselves are employed.

drug except that to which the license relates, or of any essence or substance used or capable of being used for colouring or flavouring liquor except in accordance with the terms of a compounding license is prohibited. But intoxicating drugs made from opium or the poppy other than morphia or preparations for smoking may be prepared and sold in shops licensed for the sale of opium. In shops which are clearly of a superior character private bars may be sparingly allowed by the Collector, under a special license to be granted by him free of fee, provided that the interior of the bar is wholly visible from the doorway and that the entrance to it is either through the main door of the shop or through a separate door clearly labelled, or provided with a proper sign-board to show its nature.

5. A sign-board must be affixed to the front of each depot or shop showing the nature and number of the license under which sales are conducted there, the name of the licensee and (except in the case of foreign liquor) the current rate of sale. These particulars must be legibly painted in the local vernacular and, in the case of taverns and wholesale depots, in English also. The license must be hung up in a conspicuous place within.

6. All liquor, opium and intoxicating drugs sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to opium and intoxicating drugs either to increase their intoxicating power or for any other purpose except the manufacture of intoxicating drugs in accordance with the terms of a license. Nothing shall be added to liquor except in compounding or blending in accordance with the terms of a license. Liquor shall not be bottled except in accordance with the terms of a bottling license. Nor shall different kinds of liquors be mixed and sold under the designation of one of them. All officers authorized to inspect depots and shops (*vide* condition 23 *infra*) are authorized to detain any liquor, opium or intoxicating drugs found unfit for consumption or use, or which they may believe to have been tampered with in any way, and all Collectors and Deputy and Assistant Commissioners of the Salt, Abkari and Customs Departments are empowered to confiscate or destroy any liquor, opium, or intoxicating drugs unfit for consumption or use or which have been tampered with and all liquor to which liquor of another description has been added and which is being offered for sale under the name of one of the liquors so mixed.

7. The sale or transport of liquor, opium or intoxicating drugs by persons below the age of 18 or by persons suffering from leprosy or any contagious disease and the employment of such persons in shops or depots for the sale of the same are prohibited. The Divisional Officer may, where necessary, call for the names of all persons employed or proposed to be employed in depots or shops and forbid the sale of liquor, opium or intoxicating drugs by any person of whom he may disapprove.

8. No depot or shop shall be opened before sunrise or kept open after 9 P.M. except under special authority. In Madras sales after 9 P.M. will be allowed only in special cases under separate licenses and on payment of such fees as may be prescribed by the Collector. Power is reserved to Collectors on the report of the Police or for other sufficient reasons to order the closure of any particular shop either in towns or in the country at 8 P.M. or even at an earlier hour, if they consider such a course to be advisable in the interests of the public.

9. No drunkenness, disorder or gaming shall be permitted in depots or shops. Entertainments of any kind in depots or shops are also strictly forbidden.

10. No robbers or thieves or disorderly or riotous persons shall be harboured in depots and shops. Intimation of their resort thereto shall be given to the nearest Magistrate or Police officer.

11. No person shall be harboured in any depot or shop during the night.

12. Depots and shops situated on or adjacent to the line of march must be closed, if the Collector so orders, while a regiment or detachment of European or native soldiers is passing or is encamped in the vicinity. Collectors or Divisional Officers shall have power also to close any shops temporarily in times of religious excitement or disturbance. Every depot and shopkeeper shall on his own motion close his depot or shop when there is riot or disturbance in the neighbourhood.

13. Collectors may order the transfer of depots and shops from one locality to another or their closure or the opening of new depots and shops within limits as to number to be fixed by the Board of Revenue in their discretion. But no new shops should be opened unless notice of the sites selected has been published in the District Gazette six months before the commencement of the lease and no such changes as affect the interest of adjacent shopkeepers shall be made during the currency of a lease except under special sanction of the Board. Tahsildars may at any time permit the transfer of a shop within the limits notified for the shop in the sale notice.

14. The right is reserved to the Collector to grant "Occasional Licenses" for the sale of liquor, opium and intoxicating drugs, on the occurrence of fairs, festivals etc., only in places in the vicinity of which there are no regularly licensed shops. This power in regard to country spirits and toddy may also be exercised by Divisional Officers. Such licenses should be issued only when absolutely necessary and shall ordinarily be granted to the shopkeepers who usually supply the locality or to the representatives of the renter. The licenses shall run only as long as they are actually required not exceeding ten days. Not more than one license shall be issued for a fair or festival without the sanction of the Board. The fees to be paid for the licenses shall be fixed at the discretion of the officers issuing them.

15. No liquor, opium or intoxicating drug shall be sold or given—

(*a*) Except at shops specially approved by the General Officer Commanding the Division (or independent brigade) or the Officer Commanding the Cantonment or Camp, and then only in respect to such liquors as shall be approved by the same authority in consultation with the local Excise authorities and specified in the license—

(*b*) (1) to sailors of the Royal Navy, soldiers and members of their families, or
(2) to any other person living in barracks;
(3) (1) to persons whom a vendor knows, or has reason to believe, to be camp followers, *i.e.*, all classes of followers (other than private servants) whether on or off duty, who have a right to be in cantonments;
(2) to Policemen, Excise officers and Railway servants when on duty; or,

(*c*) in any circumstances to any—
(1) European vagrant under escort of the Police;
(2) child under sixteen years of age;
(3) insane person; or
(4) person known or believed to be intoxicated.

Note.—The restrictions in (*c*) and (*d*) do not apply to Native soldiers, their families and followers when they are absent on leave from their regiments.

18. No privilege of supply or vend shall be sold, transferred or sub-rented without the Collector's previous permission. Nor, if the Collector so orders, shall any agent be appointed for the management of any such privilege without his previous approval.

17. No holder of any abkari or opium license will be allowed, without special permission from the Collector, to possess any interest in any abkari or opium license in any Native State or foreign territory or in any British territory where a low rate of duty is in force and which is adjacent to the district in which he holds his license.

18. Depots and shops must be kept open unless their temporary or permanent closure is authorised under conditions 12 or 13 *supra* and such supply of liquor, opium or intoxicating drugs as the Collector may consider sufficient to meet local requirements must be maintained therein. Shops not opened by dates to be fixed by the Collector shall be liable to be re-sold at the risk of the licensees.

19. No liquor, opium or intoxicating drug shall be sold in shops except for cash. The licensee shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Police officer. This condition is not, however, meant to restrict credit sales in the ordinary course of business by shopkeepers or firms of standing and respectability dealing in foreign liquor for consumption off the premises.

20. No liquor, opium or intoxicating drug shall be sold either below or above such minimum * or maximum † prices as may be fixed for sale of the same in accordance with the law for the time being in force.

21. No liquor, opium or intoxicating drug in excess of the quantity prescribed ‡ for possession without a license shall be permitted to be removed by any person at any one time from any licensed premises without a valid permit; nor shall liquor or intoxicating drug be sold at wholesale depots in quantities less than the minima prescribed.

22. True accounts of transactions shall be maintained from day to day in ink in the prescribed form. The accounts and permits shall be in printed books. The account books may be obtained from local Revenue officers on payment of cost price. The permit books can be obtained at all Circle offices on production of receipts for the payment of the cost price into a Government Treasury. Permits for liquor, opium or intoxicating drugs received and the counterfoils of permits issued must be carefully filed. The signing of blank permits for subsequent issue is prohibited. The accounts and counterfoils of permits shall be preserved for one year after the period covered by the license and shall be produced when called for by an officer not below the rank of Assistant Inspector of the Salt, Abkari and Customs Department.

23. Such returns and information as may be required by the Divisional Officer from time to time shall be furnished by holders of licenses.

24. Only such weights and measures as may from time to time be prescribed by the Commissioner of Salt, Abkari and Separate Revenue shall be possessed or used on any licensed premises, and they shall be tested and stamped by the stamping establishment of the district if the Collector shall so direct. The possession or use of weights or measures that are incorrect on any licensed premises will render the licensee liable to punishment.

25. The officers authorised to inspect licensed shops and depots are—

(1) any officer of the Revenue Department of rank not lower than Revenue Inspector, and

(2) any officer of the Salt, Abkari and Customs Department of rank not lower than Sub Inspector.

These officers are empowered to enter and examine the premises, to test weights and measures in use and the liquor, opium and intoxicating drugs in the possession of the licensees, and to call for and check the accounts kept in the shop or depot. Police officers will also make inspections when it comes within the scope of their duty.

26. An inspection note-book, with the pages numbered consecutively, for inspecting officers to enter their remarks in, shall be maintained, and be handed over to the Inspector of the circle or any officer authorised by him to receive it on a receipt being given therefor.

27. The amount for which the privilege has been purchased shall be payable in twelve equal monthly instalments into a Government Treasury on or before the 10th ‖ of each month beginning with April or October as the case may be. Fees for depots should be prepaid.

28. No remission or abatement of the rent shall be claimable on any account whatever.

29. Any sum due by a licensee may be collected ¶ under the Revenue Recovery Act or adjusted from the deposit, if any, made by him at the commencement of the lease. He shall be bound to replace any sums adjusted from his deposit within fifteen days of receipt of notice from the Tahsildar. ‖
